**Webinar on EPA Policy on Environmental Justice for Working with Federally Recognized Tribes and Indigenous Peoples & EJ SCREEN - EPA’s Environmental Justice Screening Tool**

The USEPA Office of Environmental Justice and USEPA Region 9 EJ Program are hosting a webinar to provide an overview of the [\*EPA Policy on Environmental Justice for Working with Federally Recognized Tribes and Indigenous Peoples\*](#) (Tribal/Indigenous EJ Policy) & the EPA’s environmental justice screening tool –[\*EJSCREEN\*](#). Through this webinar, EPA seeks to expand the awareness and understanding of federally recognized tribes, other indigenous peoples, states and other interested stakeholders about this Policy and this tool in order to promote their use and identify opportunities for coordination and collaboration to advance environmental justice.

Scope and Focus of the Tribal/Indigenous EJ Policy - The Policy focuses on EPA’s work with federally recognized tribes, state recognized tribes, tribal members,

indigenous community-based/grassroots organizations, Native Hawaiians, individual Native Americans, and others living in Indian country. The Policy also discusses EPA's work with other federal agencies, state agencies, and other interested groups on addressing environmental justice concerns.

EJSCREEN - is an environmental justice mapping and screening tool that provides EPA with a nationally consistent dataset and approach for combining environmental and demographic indicators.

The webinar will be held on **Thursday, October 19, 2017 at 2:00 p.m. Eastern Time** for interested parties. The Adobe Connect link

is: <http://epawebconferencing.acms.com/tribalindigenousejpolicy-ejscreen/>

Conference call number: 1-866-299-3188, access code 202-564-2576#.

Information on the Tribal/Indigenous EJ Policy and EJSCREEN can be found at: Tribal/Indigenous EJ Policy -

<https://www.epa.gov/environmentaljustice/environmental-justice-tribes-and-indigenous-peoples>

EJSCREEN - <https://www.epa.gov/ejscreen>

### **Northern Arizona University HHS/OMH, OMHRC - Vision, Design and Capacity (U-VDC) Grant Writing Workshop**

October 26-27 at Northern Arizona University in Flagstaff, AZ

Hosted by Northern Arizona University Office of the Vice President for Research, this FREE two-day technical writing workshop is best for junior faculty, staff and college/university health professionals who are interested in community-based participatory research; who are committed to working with underserved populations; and who want to build their institution's capacity to compete and receive competitive grant awards.

Learn to write winning grants and build sustainable partnerships to improve minority health. This workshop is intended for university/college junior faculty, staff, and health professionals. For further information, please contact Tamara Henry: [thenry@minorityhealth.hhs.gov](mailto:thenry@minorityhealth.hhs.gov) Register here:

### **R9 Tribal EPA 25<sup>th</sup> Annual Conference**

October 30-November 2, 2017

Alpine, California, Viejas Casino & Resort

[Register here!](#)

### **Notice of Tribal Consultation for EPA's Draft FY18-22 Strategic Plan**

EPA's Office of the Chief Financial Officer (OCFO) is currently conducting consultation and coordination with tribes on EPA's FY2018-2022 Strategic Plan. The Strategic Plan communicates the agency's priorities, the measurable environmental and human health outcomes the public can expect over the next four years, and the long-term blueprint for achieving those results. It also serves as the basis for agency-wide program planning and informs annual budget development and decision making. The plan covers important areas of interest that impact tribes.

The Plan is expected to be available for review in late September, with the consultation period ending on October 31, 2017. Several conference calls are being planned and communication has been sent to tribal leadership on Sept. 7, 2017. For more information, contact Emily Heller ([heller.emily@epa.gov](mailto:heller.emily@epa.gov) or phone: 202-564-3332) or Allison Mihalich ([mihalich.allison@epa.gov](mailto:mihalich.allison@epa.gov) or phone: 202-564-1534).

Tribal Consultation Conference Calls:

- Tuesday October 17, 2-4 pm Eastern (Call-in number: 1-866-299-3188; Access code: 202-564-4855)
- Tuesday October 24, 2-4 pm Eastern (Call-in number: 1-866-299-3188; Access code: 202-564-4855)

The draft plan will be made available on EPA's Strategic Planning website in the coming weeks: <http://www2.epa.gov/planandbudget/strategicplan>

**Check out this [Public Service Announcement](#) produced by the Gila River Indian Community for the upcoming Tribal Environmental Health Forum: **Bridging Tribal Communities to Healthy Futures**, on Thursday, October 19-Friday, October 20, 2017 at the [Anthony B. #### **VW Mitigation Trust for Indian Tribe Beneficiaries Webinars**

The Trustee of the Volkswagen Diesel Emissions Environmental Mitigation Trust for Indian Tribe Beneficiaries would like to invite you to attend one of three identical, informational webinars. The webinar session is designed to accomplish the following:

- Define and Provide an overview of the Indian Tribe Trust
- Review the Beneficiary Certification and Designation Process as outlined in the Trust Agreement
- Discuss the Beneficiary Eligible Mitigation Action Certification as outlined in the Trust Agreement
- Introduction of the Technical Assistance Provider – Institute for Tribal Environmental Professionals (ITEP)
- Introduction of: the Public-Facing Web Site; Secure Beneficiary-Trustee Communication Portal (Intralinks); and, On-Line Portfolio/On-Line Statements
- Briefly Review Investment of Trust Assets
- Discuss the Trustee's Security Procedures
- Detail important dates, timelines and deadlines
- Provide you with Trustee Team contact information
- Question and Answer Period

The weekly webinar sessions will be held on Thursdays @ 3:00 pm Eastern Time on the following dates: October 12<sup>th</sup>; October 19<sup>th</sup>; October 26<sup>th</sup>.

Note: The content covered in each session will be the same, so you need only attend one of the weekly sessions.

Registration for Indian Tribe Beneficiaries Training of October 12, 2017 at 3:00 pm Eastern Time:

The following Link works both to register and to view the webinar. You can log in to watch the webinar up to 15 minutes beforehand if you wish to do so.

Registration link: <http://event.on24.com/wcc/r/1519880-1/694AA218EC3AE6AFF06076DB80A75C29>

## ***Indoor Air Quality***

### **Tackle Energy Efficiency and Indoor Air Quality Together: Best Practices in Multifamily Housing Upgrades**

October 19, 2017

1:00–2:15 PM EDT

#### [Registration](#)

Interested in taking a proactive approach to protecting indoor air quality (IAQ) while boosting energy efficiency in your multifamily building? This webinar will take you through the steps of getting started. You'll learn how to integrate energy management activities (including a retrofit or other building upgrade project) and IAQ protection activities using the recommendations in EPA's [Energy Savings Plus Health: Indoor Air Quality Guidelines for Multifamily Building Upgrades](#).

Use of these guidelines can lead to substantial improvements in IAQ and cost savings. To learn more about protecting IAQ in your home, please visit EPA's Indoor Environments Division website on remodeling and energy upgrades [here](#).

By attending this webinar, participants will—

- Learn how to integrate IAQ protection activities into energy efficiency retrofit projects.
- Learn how to use EPA's [Multifamily Checklist Generator Tool](#), a custom verification checklist spreadsheet that accompanies the [Energy Savings Plus Health: Indoor Air Quality Guidelines for Multifamily Building Upgrades](#).
- Hear case studies on the City of Mankato Economic Development Authority and the Hempstead Housing Authority's multifamily building retrofits to learn best practices and real-world application of content found in the guidelines.

Hosted By: The U.S. Environmental Protection Agency and the U.S. Department of Housing and Urban Development.

### **NEHA 2018 AEC and HUD Healthy Homes Conference, Anaheim, CA – June 25-28, Call for Abstracts due: Oct. 31, 2017**

NEHA is excited to announce the [Call for Abstracts](#) for the NEHA 2018 Annual Educational Conference (AEC) & Exhibition and U.S. Department of Housing and Urban Development (HUD) Healthy Homes Conference, being held on June 25–28, 2018, at the Anaheim Marriott in California. NEHA and HUD are partnering again to offer their conferences together.

Don't miss this opportunity to share your knowledge, experience, and research with a global environmental health audience.

NEHA welcomes abstracts that cover a full range of environmental health topics, as well as emerging and current topics such as the safety of marijuana

edibles and home restaurants, the opioid epidemic, groundwater issues, and proven technologies.

We seek abstracts that bring the latest advances in environmental health, unique responses to protection problems, and practical applications in the public and private sectors.

Submission deadline is October 31.

To submit your abstract online, please view our [AEC Abstract Submission Guidelines](#). Check out the [2018 AEC website](#) for more details about the conference.

Questions? Please contact [Kristie Denbrock](#), NEHA's Education Coordinator.

## **RESOURCES**

### ***Now Hiring!***

#### **The USFS and the Wildlife Society are seeking Native American Research Assistantships**

The U.S. Forest Service (USFS), Premier Partner of The Wildlife Society, is sponsoring a research assistantship program for Native American students. Short-term assistantships are available for Native American students interested in wildlife and forest resources and excited to learn and work with an interdisciplinary team of researchers. Applicants must be a member of an American Indian or Alaska Native tribe, First Nations, or a Native Hawaiian or Pacific Islander, or have some other indigenous identification, and be currently enrolled in an undergraduate or graduate program from an accredited academic institution. A bachelor's or master's degree in wildlife biology, ecology, forestry or other closely related natural resource discipline is preferred. Students with Associates degrees from TCUs or other community colleges will be considered. The deadline application is October 18, 2017. [Follow this link for more information](#).

#### **Assistant or Associate Professor of Indigenous and Environmental Studies at Bemidjii State University**

CLOSING DATE: November 1, 2017

RESPONSIBILITIES:

- Teach courses in the areas of Indigenous Studies and Environmental Studies.

- Work with members of the Indigenous Studies and Environmental Studies programs to create curriculum for the new Indigenous Studies/Environmental Studies (IS/ES) Sustainability degree program.
- Develop and teach new undergraduate and graduate courses presenting both IS and ES perspectives.
- Lead efforts throughout the three-year grant period to start the necessary long-term conversations with faculty in all departments at BSU about incorporating Indigenous Knowledge and Sustainability perspectives into existing courses.
- Contribute to a program of scholarship, student advising, service to the University and community, and other associated faculty duties.
- Contribute to interdisciplinary teaching and involvement in activities that support Bemidji State University's shared fundamental values: Environmental Stewardship, Civic Engagement and Leadership, International and Multicultural Understanding, and Belief in the Power of the Liberal Arts.
- The successful applicant will be expected to contribute to a collegial and supportive environment that advances the goals of the University.

#### QUALIFICATIONS:

##### Minimum:

- Earned Master's degree from a regionally accredited institution at the start of employment.
- Experience with and understanding of Indigenous Knowledge.
- Graduate academic background in an area of the natural sciences or allied field.
- Meet Higher Learning Commission faculty credentials in the areas of Environmental and Indigenous Studies.
- Demonstrated commitment to quality teaching.

##### Preferred:

- Earned doctorate from a regionally accredited institution at the start of employment.
- Interest/experience in curriculum development.
- Teaching experience.
- Experience working with Indigenous communities.
- Skills/ability to design and deliver online courses.
- The applicant should demonstrate a knowledge of and interest in diverse cultures and populations.

### ***Ambient Air Quality/EPA/NTAA/Tribes***

#### **Indian Health Service is pleased to announce the Zero Suicide Initiative Notice of Funding Opportunity Announcement (NOFO).**

IHS anticipates making a total of 8 awards for \$3.2 million to IHS facilities, Tribes, and tribal or urban Indian organizations to improve the health care system for those at risk for suicide by implementing a comprehensive, culturally-informed, multi-setting approach. Individual award amounts are anticipated to be \$400,000. The deadline for the application submission is October 12, 2017.

For Tribes, Tribal organizations, and UIOs:

<https://www.federalregister.gov/documents/2017/08/21/2017-17599/division-of-behavioral-health-office-of-clinical-and-preventive-services-zero-suicide>

For IHS Federal Facilities:

<https://www.ihs.gov/suicideprevention/zerosuicide/fundingannouncement/>

For any questions, please contact LCDR Sean K. Bennett by phone at: 301-443-0104 or by email at: [sean.bennett@ihs.gov](mailto:sean.bennett@ihs.gov)

#### **No-Cost Technical Assistance from DOE**

The DOE Office of Indian Energy provides federally recognized Indian tribes, including Alaska Native villages, tribal energy resource development organizations, and other organized tribal groups and communities, with technical assistance to advance tribal energy projects at no cost. Technical experts from DOE and its national laboratories, along with other partnering organizations, provide support to assist Indian tribes and Alaska Native villages with energy planning, housing and building energy efficiency, project development, policy and regulation, resilience, and village power.

For more information, visit the on-request [technical assistance description](#).

## **FUNDING OPPORTUNITIES**

### ***Ambient Air Quality/EPA/NTAA/Tribes***

**Cultural Survival Keepers of the Earth Fund Call For Applications**

Cultural Survival is pleased to announce the Keepers of the Earth Fund (KOEf) Call for Applications. The KOEF is a small grants fund that supports Indigenous values-based community development. These grants have supported Indigenous-led projects on the leading edge of solutions to the most pressing issues for Indigenous Peoples everywhere.

Through the general KOEF, Cultural Survival intends to provide grants ranging between \$500 and \$5,000 to Indigenous-led and -controlled organizations and groups around the world.

Grants can support projects focused on a vast array of development activities. Applications will be viewed with an eye toward innovation, Indigenous values woven into the design of the project, and projects addressing real-time development needs. The connection between Indigenous values and the proposed project should be clearly articulated.

The primary purpose of the Keepers of the Earth Fund is to empower grassroots Indigenous communities in establishing their rights and retaining their traditional values.

We seek to fund projects that work in collaboration with others for the larger community as opposed to working alone. We encourage partnerships and networking, capacity building for results, and strategic approaches to Indigenous development.

Grant applications will be accepted through October 27, 2017. For guidelines and grant applications for the KOEF, please visit <https://www.cs.org/programs/advocacy/koef> or contact [koef@cs.org](mailto:koef@cs.org).

**The Center for Indigenous Politics and Policy (CIPP) is accepting applications for the Native American Political Leadership Program (NAPLP) for Spring 2018**

NAPLP is a full scholarship program for American Indian, Alaska Native, and Native Hawaiian undergraduate and graduate students to study applied politics at the George Washington University in Washington, DC. As part of the Semester in Washington Politics program, NAPLP is funded by a generous gift from AT&T. The scholarship covers up to nine credits in tuition, on-campus housing, round-trip air travel, and a stipend for books (\$250) and living expenses (\$2,400 in two installments). Students also have the opportunity to have an internship in places such as a congressional office, national tribal organization, or a federal agency, and to develop lasting connections with a cohort of Native American students from across the country.

Students may apply online at [www.naplp.gwu.edu](http://www.naplp.gwu.edu). Applications are due November 1, 2017. Please contact the NAPLP office at 202-994-3284 or at [naplp@gwu.edu](mailto:naplp@gwu.edu) with any questions you may have.

### **The Department of Homeland Security Notice of Funding Opportunity: FY2017 Pre-Disaster Mitigation**

The Pre-Disaster Mitigation (PDM) program makes available Federal funds to State, Local and Tribal Governments to implement and sustain cost-effective measures designed to reduce the risk to individuals and property from natural hazards, while also reducing reliance on Federal funding from future disasters. The PDM program strengthens national preparedness and resilience and supports the mitigation mission area in the National Preparedness System and National Preparedness Goal.

#### Key Dates and Times

Date Posted to Grants.gov: 07/10/2017

Application Start Date: 08/14/2017

Application Submission Deadline: 11/14/2017 at 03:00:00 PM [Eastern Time]

Anticipated Funding Selection Date: 01/30/2018

Anticipated Award Date: 12/30/2018

For more information, visit [this FEMA webpage](#).

### **FY 2017 Economic Development Assistance Programs, Department of Commerce**

Full details [here](#)

There are no submission deadlines under this opportunity.

Funding range: \$100,000 to \$3,000,000

The Economic Development Administration (EDA) solicits applications from applicants in rural and urban areas to provide investments that support construction, non-construction, technical assistance, and revolving loan fund projects under EDA's Public Works and Economic Adjustment Assistance programs. Grants and cooperative agreements made under these programs are designed to leverage existing regional assets and support the implementation of economic development strategies that advance new ideas and creative approaches to advance economic prosperity in distressed communities. EDA provides strategic investments on a competitive-merit-basis to support economic development, foster job creation, and attract private investment in economically distressed areas of the United States. There are no submission deadlines under this opportunity. Proposals and applications will be accepted on an ongoing basis until the publication of a

new Economic Development Assistance Program Federal Funding Opportunity announcement.

### **U.S. EPA Air Grants and Funding:**

EPA's Office of Air and Radiation (OAR) announces competitive funding announcements for projects and programs relating to [air quality](#), [transportation](#), [climate change](#), [indoor air](#) and other related topics. [This page](#) provides access to information about current funding opportunities under 'Open Announcements' and also provides as a reference tool, all previously announced funding announcements listed below and in archives under 'Closed Announcements.'

### ***Toxics/Mobile Sources***

#### **2017 Tribal Request for Proposals (RFP) Diesel Emissions Reduction Program (DERA) now open!**

We are excited to announce a funding opportunity for tribal governments and Alaska native villages. EPA's Office of Transportation and Air Quality is soliciting proposals nationwide for tribal projects that achieve significant reductions in diesel emissions in terms of tons of pollution produced by diesel engines and diesel emissions exposure, particularly from fleets located in areas designated as having poor air quality. EPA anticipates awarding \$1.5 million in DERA grant funding under this announcement.

Important dates

Thursday, October 5, 2017	RFP Opens
Tuesday, October 24, 2-3:30 pm (ET)	<a href="#">Webinar #1</a> Dial-In - 866-299-3188; Passcode 3439147#
Thursday, November 9, 2-3:30 pm (ET)	<a href="#">Webinar #2</a> Dial-In - 866-299-3188; Passcode 3439147#
Thursday, January 18, 2018; 11:59 pm (ET)	RFP Closes – Proposals Due
Spring 2018	Anticipated Notification of Selection
Spring/Summer 2018	Anticipated Award

Eligible Entities

Eligible entities include tribal governments (or intertribal consortia) and Alaska native villages which have jurisdiction over transportation or air quality.

#### Eligible Vehicles and Technologies

Eligible diesel vehicles, engines and equipment may include buses, Class 5 – Class 8 heavy-duty highway vehicles, marine engines, locomotives and nonroad engines, equipment or vehicles used in construction, handling of cargo (including at a port or airport), agriculture, mining or energy production (including stationary generators and pumps).

Eligible diesel emission reduction solutions include EPA or California Air Resources Board verified emission control technologies such as exhaust controls, cleaner fuels, and engine upgrades, idle reduction technologies, aerodynamic technologies and low rolling resistance tires, certified engine repowers, clean alternative fuel conversion kits, and/or certified vehicle or equipment replacement.

#### Additional Resources

For detailed information on eligibility and application requirements, please review the 2017 Tribal Request for Proposals (RFP) on the following webpage:

### **Request for Nominations (RFN) for the 2017 Round of the Alternative Fuel Corridor Designation process has been issued by the Federal Highway Administration (FHWA)**

This RFN was issued directly to the FHWA Division Offices, which are located in each state, who in turn will forward it to their respective State departments of transportation (DOT) and metropolitan planning organizations to streamline the process.

The 2017 RFN includes infrastructure coverage criteria for each fuel type, information to be included in the nomination (narrative and technical), points of contact, and direction on submittals. Some items of note and changes from the initial round of nominations:

1. The due date for ALL nominations is **COB November 30, 2017**.
2. Instructions on how/where to submit your designation proposal are contained in the RFN.
3. The RFN requires more corridor/station specific information to be included in the nomination proposal, such as station addresses, first and last fueling station on the corridor, distances between stations, connector type for EVSE, and corridor map.

4. Provides ability to nominate new corridors or add fuel types to existing corridors from the initial round
5. Focus is on Interstate highways but allows for a compelling case to be made for other roads/routes
6. Requires a description of the plan for signage on the corridor
7. GIS shapefiles required
8. Only DCFC sites will be considered for EV Corridors this round (i.e. no Level 2 sites)

A webinar will be scheduled in the near future to provide information on the nomination to stakeholders and answer questions. In addition, a set of Frequently Asked Questions will be developed and will be posted on the AFC Web site in the next several weeks.

Additional information on the Alt Fuel Corridor Designation process can be found at:

[https://www.fhwa.dot.gov/environment/alternative\\_fuel\\_corridors/nominations/index.cfm](https://www.fhwa.dot.gov/environment/alternative_fuel_corridors/nominations/index.cfm)

### ***Indoor Air Quality***

**The Minnesota Department of Health Lead and Healthy Homes Program (LHHP) is announcing the availability of healthy housing grants for the 2017-2020 grant period.** The Healthy Housing Grants are intended to provide funding to perform activities related to housing-based health threats. The total amount of the grant funding for the entire grant period (December 1, 2017-June 30, 2020) is \$720,000. This will be distributed to grantees at amounts up to \$120,000 per grantee total for three years.

Applicants must complete the Healthy Housing Grant Application and submit it by email to Katie Haugen at [katie.haugen@state.mn.us](mailto:katie.haugen@state.mn.us) by 4:00 P.M. Central Standard Time, Friday, October 13, 2017. The Healthy Housing Grant RFP, Healthy Housing Grant Application, and more information can be found at the [MDH Healthy Housing Grants webpage](#).

**The Tribal Healthy Homes Network (THHN) has a webpage dedicated to [Funding Opportunities!](#)** Additionally, THHN has developed a [Funding Guide for American Indian and Alaska Native Communities](#).
